

Prospects in Hungary

Career development program for refugees

Apply today!

At www.prospectsinhungary.com

We help you find a job and integrate in Hungary

Help in the job search process

Preparation for the job application process

Adult training and language learning support

Help with paperwork

Counseling in childcare and in enrollment of children in school

Accommodation support

Why should you apply?

- 1 We provide **personalized help** based on your situation, needs and motivation
- 2 Our **mentors** help to identify the best options for you
- 3 Our **partners** support us to find you a job and help you fit in
- 4 We offer **free participation** thanks to the charitable assistance of our partners

How to apply?

If you left Ukraine because of the war, you are between 18 and 55 years old, and have at least a secondary education, you can **apply with your CV in Hungarian, English or Ukrainian** at prospectsinhungary.com and our colleagues will contact you soon.

How long is the program?

The program provides support until you find your job and integrate into the new environment.
